EDUCATION

North Carolina State University — Raleigh, NC

August 2018 -

- B.S. in Computer Science (excepted May 2022)
- Cumulative GPA: 4.2 Major GPA: 4.2
- University Honors Program & Dean's List

EXPERIENCE

Engineering Camp Counselor — Forsyth Country Day School, Lewisville, NC

Summers 2016-2019

- Designed, implemented, and taught four one-week curricula of STEM activities for students. Activities included a hurricane house and egg drop.
- Assisted other teachers in their camps

Lifeguard — Pool Professionals, Greensboro, NC

Summers 2017-2019

- Worked closely with coworkers to maintain a safe, clean, and friendly environment for patrons of all ages and abilities
- Entrusted with specialized chemicals/equipment and site maintenance

SKILLS & CERTIFICATES

Programming Languages

- **Java** — In-class and project experience. Object-oriented, focus on data structures, testing, and SDLC.
- **Python** — Project experience. Object-oriented & functional, focus on computer vision and analysis.
- **HTML / CSS / JavaScript** — Project experience. Focus on best practices in front-end development.
- **C** — In-class experience. Object oriented, focus on lower-level design.

Lifesaving

- Certified by the American Red Cross in Lifeguarding, First Aid, CPR, and AED

CAD

- Created CAD models and drawings in SolidWorks for use in automotive and aerospace manufacturing.
- Led small team to design and 3D print award-winning functional fishing pole using Fusion 360.

PROJECTS

Lights Out — Android Mobile App

August 2019 -

- Based on the 1990's handheld game, but has more features like up to 10x10 boards.
- Written in Java using Android Studio
- Hopefully available on Google Play Store by December

wmboyles.com — Personal Website

July 2019 -

- Personal domain containing resume, more projects, and contact info
- All HTML, CSS and JavaScript written without online tools

Multivariable Calculus Summary — Open-source notes

June 2019 -

- Digitized my multivariable calculus notes in LaTeX
- Open-sourced code for community contributions
